

## **We're on WhatsApp - follow the channel for everyone in East Sussex!**

We've launched an official WhatsApp Channel to make it even easier for people in East Sussex to stay up to date with the latest news, updates and alerts from the County Council.

Following the channel means you'll get important messages straight to your phone - and if you turn on notifications, you'll be among the first to know when something new is posted.

We'll only send updates when there's something important to say.

It's a great way to stay connected, and you can help us spread the word by sharing relevant updates with your friends and family.

It's completely private - the council cannot see the identity of anyone following the channel.

Scan the QR code to start following us.
